Special Attorney for the Department of Justice Whose Specialty Is Drawing Indictments, Goes to Chicago.

Wyatt Building, 14th and P Streets. Washington, June 14.-District Attorney Morrison of Chicago, accompanied by Ollver E. Pazin, special attorney for the Department of Justice, left Washington for Chicago to-day. Though Attorney General Moody has said nothing in the matter, and while Mr. Morrison maintains an absolute reserve, it is the apparently well-founded belief here that the attor-neys are taking indictments, ready drawn, back with them. It is said that Mr. Pagin, whose special-

to said that Mr. Pagin, whose special-ty in law is drawing of indictments, would not have returned with Mr. Morrison un-less his particular abilities were needed. The President has certainly given the word to assail the packers if, in the opin-ion of lawyers, the case against the meat monopolists shall be considered a strong one.

one.

Mr. Morrison, at least, thinks that the case, as it is now represented in the evidence obtained before the Grand Jury, presents an excellent basis for prosecu-

ENDOWMENT OF CENTRAL COLLEGE INCREASED \$40,000

Assouscement of Large Plans for the Future Made at the Auaual Commencement.

REPUBLIC SPECIAL. Payette, Mo., June 14.-The graduating exercises of Central College were conducted at Centenary Chapel this morning, the oddress before the class being delivered

by the Reverend Doctor J. W. Lee of St. Louis.

Memorial tabletz of Bishop E. M. Marvin, Presidents Nathan Sparritt, William A. Smith and John C. Wills were unveiled in Science Hall, the address being delivered by Bishop E. R. Hendrix, Samuel Kennard and Doctor W. R. Palmore.

Hishop Hendrix announced that the endowment fund had been increased \$49,000 last year, the greater part being left by R. M. Scruggs of St. Louis. A large addition to the endowment fund will probably be made within the next year.

A 50,000 gymnasium will be built and endopped this summer.

entipped this summer.

Stephens Hall, one of the oldest buildings on the campus, will be torn down and several other improvements made.

The degrees of A. B. and A. M. were conferred upon John T. Buchaman of New York. The graduates who received degrees are John C. Godbey, Nannie Shirk, Mabel F. Symons, Ethel K. Rush, Verne Dyson, Margret O. Godbey, Minetta Holland, Wade McCann and George Scaling.

ELDERLY WOMAN KILLED BY CAR

Miss Bridget Durkin Is Struck by Car as She Crosses Street-Body Is Nearly Severed.

MISS BRIDGET DURKIN.

While crossing the street at Compton end Franklin avenues yesterday afterneed, Miss Bridget Duckin, 62 years old, sister of Mrs. Joseph Gerardi, wife of the reprietor of the Grand Avenue Hotel, was killed by westbound Suburban car

required states April, for the hore of a nephew named Bradley, whose address could not be ascertained. She paused for a moment as an eastbound car passed, then she patred across the track, but bad hardly taken a step when she realized her danger and screamed for help. Before motorman Charles Dieter could reverse the car struck her.

When the car was stopped it was necessary to buck up to release the besty. Detective Within of the Ninth District placed the motorman and conductor, will leave fever, two Americans and two lamsings.

body was sent to the morgue, but later removed to the Lynch Undertaking

removed to the Lynch Undertaking rooms.

A bank book was found, showing that Miss Durkin Lad deposted \$17.09 in a local bank. Joseph Gerardi, brother-inlaw of Miss Durkin, said she came to America fifty years ago, settling in New York, and ten years later came to St. Louis, where she had lived since.

She lived at the Grand Avenue Hotel with her sister until last April, when she secured a room at the Franklin avenue address. Mrs. Gerardi was not notified of the death until several hours after the accident, and has been inconsolable since.

The funeral probably wal take place to-morrow, with burial in Calvary Cemestery.

AMERICA LEARNS FROM TOGO. Range-Finders to Replace One-Pound Guns on Ship.

New York. June 14.-Orders were received at the New York Navy Yard to-day from the Navy Department at Washington to remove the guns from the fighting tops of the battleship Alabama. Orders have been issued also that the

curs are not to be replaced on the fight-ing tops of the battleship Indiana, which is being repaired. It is reported that the guns are to be replaced by range-finders, and that similar orders were to be issued regarding other hattleships. The news of the victory of Admiral Togo in the Sea of Japan is said to have influenced the decision to put range-find-ers in place of the one-pounders which ers in place of the one have occupied the tops.
